

Recycle the tricky stuff from your building!

Did you know that 20% of what goes into your red bin can be recycled?
RecycleSmart has partnered with your council and your building manager to take care of them!

Soft Plastics

E-Waste

Clothes

Misfits

- Batteries
- Lightbulbs
- Polystyrene
- Printer cartridges
- Coffee capsules and more!

1. Prepare your items

Once you come across a tricky item at home, put it in our pink bag or any shopping bag you have.

2. Put items in the right bin

Bring everything to the room where the RecycleSmart station is set up and follow the signs on the bins.
It's that easy!

3. We'll do the rest

RecycleSmart will come and collect all these tricky items and recycle them for you!

Sign-up here to receive recycling tips, fun facts and uplifting news!.
